Extended forecast – Warm, humid, and windy conditions are expected throughout the week. Each afternoon will see a slight risk for a pop-up shower or thunderstorm, but any rainfall should remain below 0.10" each day. The temperature will top out in the upper 80s, while the heat index will rise into the low to mid 90s each day. Blustery to breezy winds will be from a south-southeasterly direction throughout the week.
