**Extended forecast** – Warm, humid, and breezy conditions are expected over the next several days. Friday and Saturday afternoon will see a slight chance for a pop-up shower or thunderstorm, but the risk is rather low and any rainfall should remain below 0.10" each day. The temperature will top out in the upper 80s, while the heat index will rise into the low to mid 90s each day. Breezy winds will be from a south or southeasterly direction throughout the week.
