

2023 Winner Emiliano Grillo

Tee it up with a PGA TOUR player.

You're invited to participate in a once-in-a-lifetime experience. Join us to tee it up at the 2024 Charles Schwab Challenge Ben Hogan Pro-Am, located at the Colonial Country Club in Fort Worth, Texas, on Monday, May 20.

Over the years, this tournament has hosted the world's most legendary golfers on a course that has long been considered a true classic. This year, however, will be even more historic. World-renowned course architect Gil Hanse has reimaged all 18 holes at the Colonial Country Club, inspired by the iconic 1941 U.S. Open.

During the Charles Schwab Challenge Ben Hogan Pro-Am, you'll be among the first to play the newly redesigned course, and you'll do it in tournament conditions alongside a marquee PGA TOUR® player.

We hope you'll join us for a truly memorable day of world-class golf.
