

2023 Winner Emiliano Grillo

Tee it up with two PGA TOUR players.

You're invited to participate in a once-in-a-lifetime experience. Join us to tee it up at the 2024 Colonial Pro-Am at the Charles Schwab Challenge, located at the Colonial Country Club in Fort Worth, Texas, on Wednesday, May 22.

Over the years, this tournament has hosted many of the world's most legendary golfers on a course that has long been considered a true classic. This year, however, will be even more historic. World-renowned course architect Gil Hanse has reimagined all 18 holes at the Colonial Country Club, inspired by the iconic 1941 U.S. Open.

During the Pro-Am, you'll be among the first to play the newly redesigned course, and you'll do it in tournament conditions alongside two marquee PGA TOUR® players.

We hope you'll join us for a truly memorable day of world-class golf.
