## COURSE GUIDELINES

**GENERAL:**

- Please do not initiate conversation with the players or ask for autographs during competition.
- Please do not involve yourself in or consult on any official rulings.
- Mobile devices may be carried but must be turned off while participating as an Honorary Observer.
- Do not carry pagers, range finders, or cameras.
- Do not consume alcohol or use tobacco products while participating as an Honorary Observer.
- Never stand behind a player when he is addressing or playing his shot. Participants should stay either behind or out in front of play, as directed by the tournament.
- Do not move when the player is playing his shot.

**TEE AREAS:**

- Participants should stay behind or out in front of play.
- Participants should not congregate in the tee areas or disrupt the flow of competition.

**FAIRWAYS:**

- Participants should stay behind or out in front of play. Please reference Walking Guidelines.

**GREENS:**

- Never walk across or on the green.
- Always walk around sand bunkers.
- Following the completion of each hole, participants should make best efforts to move to the next hole without disrupting play or players transitioning between holes.
